NBE PROBIOTIC ACTIVATOR

FUNCTION	INGREDIENT BENEFITS
• Enriched with prebiotic bifidobacteria • Supports the skin’s natural healing properties • Helps prevent premature skin aging • Supports the skin’s natural defense mechanism	Bifida Ferment Lysate: • Improves the skin’s barrier function. Ethylhexylglycerin: • Conditions and moisturizes. Lactic acid: • Moisturizes and promotes an even, radiant complexion. Potassium hydroxide: • Protects and stabilizes the skin’s pH.
HOW TO USE	Producttype: Fluid
Add 8 drops to your blend of NBE serums, as described in the “How to Use” section for the NBE3000, to improve absorption.	
INGREDIENTS	
Aqua, Bifida Ferment Lysate, Phenoxyethanol, Ethylhexylglycerin, Sodium Hydroxide, Sodium Benzoate, Acetic Acid, Lactic Acid, Potassium Hydroxide	

NBE BASE

FUNCTION	INGREDIENT BENEFITS
• A lamellar base without additional active ingredients • Extremely moisturizing	Phosphatidylcholine: • Improves the transport of active ingredients. Glycosaminoglycans: • Reduces rosacea, telangiectasia, and bruising. • Balances moisture levels. Cannabis Sativa seed oil: • Improves the skin's barrier function. • Enhances moisture retention. Squalane: • A natural skin emollient. Ceramide III: • Strengthens the skin barrier.
HOW TO USE	Producttype: Active Serum in cream
Always use this as the base for your blend of NBE serums. It provides intense hydration and ensures you have enough product to glide smoothly for an extended period. (1 to 2 pumps)	
INGREDIENTS	
Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholin, Squalane, Methylpropanediol, Olea Europaea (Olive) Oil Unsaponifiables, Canola Oil, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Polyacrylate Crosspolymer-6, Chlorphenesin, Ceramide III, Hydroxyethylcellulose, Ethylhexylglycerin, Xanthan Gum, T-Butyl Alcohol, Citric Acid.	

NBE LIFTING

FUNCTION	INGREDIENT BENEFITS
• Works like a non-surgical facelift by stimulating the production of new collagen and elastin • Reduces wrinkles • Stimulates the skin's reattachment to the underlying muscle tissue	Glycosaminoglycans: • Reduces wrinkles. • Balances moisture levels. • Firms the skin by promoting collagen synthesis. Algae extract: • Has anti-aging properties. • Firms the skin. • Drains cellular waste. • Reduces inflammatory redness. Flower extract: • Protects fibroblast growth factor B. • Anti-wrinkle effect. • Increased synthesis of collagen, elastin, and endogenous factors. Organic silicon (Chlorella): • Firms the skin. • Prevents and reduces stretch marks and scars. • Improves cell communication.
HOW TO USE	Producttype: Active Serum in cream
Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	
INGREDIENTS	
Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholine, Squalane, Olea Europaea Oil Unsaponifiables, Methylpropanediol, Canola Oil, Cannabis Sativa Seed Oil, Hydrogenated Starch Hydrolysate, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Butylene Glycol, Polyacrylate Crosspolymer-6, Chlorphenesin, Asparagopsis Armata Extract, Hydroxyethylcellulose, Xanthan Gum, Hibiscus Abelmoschus Seed Extract, Ethylhexylglycerin, Ascophyllum Nodosum Extract, Methylsilanol Mannuronate, Ceramide NP, Sodium Nitrate, Potassium Sorbate, Sorbic Acid, Trisodium EDTA, Glycosaminoglycans, Disodium Phosphate, Polysorbate 20, Dextran, Caprooyl Tetrapeptide-3, Sodium Phosphate, Citric Acid	

NBE REDNESS (COUPEROSE)

FUNCTION	INGREDIENT BENEFITS
• Protects the extracellular matrix • Strengthens the network surrounding the blood vessel walls • Improves oxygen uptake by the capillaries • Drains fluid	Glycosaminoglycans: • Reduces rosacea, telangiectasia, and bruises. • Balances moisture levels. • Reduces dark circles. Chrysanthemum: • Powerful antioxidant and anti-inflammatory. • Reduces rosacea, acne, and redness. Cannabis Sativa seed oil: • Improves the skin's barrier function. • Enhances moisture retention.
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholin, Squalane, Methylpropanediol, Olea Europaea Oil Unsaponifiables, Canola Oil, Saccharide Isomerate, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Hydrolyzed Glycosaminoglycans, Polyacrylate Crosspolymer-6, Chlorphenesin, Ceramide NP, Hydroxyethylcellulose, Ethylhexylglycerin, Xanthan Gum, Beta-Glucan, Hydrolyzed Rice Protein, Citric Acid, Sodium Citrate, Cellulose, Phenethyl Alcohol, Disodium Phosphate, Polysorbate 20, Sodium Phosphate.	Producttype: Active Serum in cream

NBE FLACCID SKIN

FUNCTION	INGREDIENT BENEFITS
• Tightens the skin by stimulating cell renewal • Stimulates the production of collagen and elastin • Improves moisture balance • Is a powerful antioxidant	Phosphatidylcholine: • Improves the transport of active ingredients. Carcinine: • Repairs the cell membrane. • Is a powerful antioxidant for hydrophilic and lipophilic targets. • Combats glycation.
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	Soy isoflavone: • Has a lifting effect. • Boosts collagen. • Tightens the skin.
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholin, Methylsilanol Mannurate, Squalane, Methylpropanediol, Olea Europaea (Olive) Oil Unsaponifiables, Canola Oil, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Alcohol, Polyacrylate Crosspolymer-6, Chlorphenesin, Ceramide III, Polysorbate 80, Hydroxyethylcellulose, Decarboxy Carnosine HCl, Ethylhexylglycerin, Xanthan Gum, Butylene Glycol, Lecithin, Methylsilanol Hydroxyproline Aspartate, Salicylic Acid, Potassium Sorbate, Soy Isoflavones, T-Butyl Alcohol, Sorbic Acid, Citric Acid	Organic silicon from freshwater algae: • Has a firming effect and acts as a diuretic. Producttype: Active Serum in cream

NBE CELLULITE

FUNCTION	INGREDIENT BENEFITS
• Reduces both the number of mast cells and the release of granules from the mast cells • Activates lipolysis • Improves membrane function (in fat cells) • Is a powerful antioxidant that improves metabolism	Organic iodine: • Reduces the number of mast cells. • Reduces the release of granules from mast cells (histamine). Activates lipolysis. • Improves membrane function in fat cells.
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	Turmeric extract: • Is an antioxidant. • Has anti-inflammatory effects. Cinnamon extract: • Improves metabolism.
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Curcuma Zedoaria Root Oil, Glycerin, Hydrogenated Phosphatidylcholin, Squalane, Methylpropanediol, Olea Europaea (Olive) Oil Unsaponifiables, Canola Oil, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, TEA-Hydroiodide, Phenoxyethanol, Polyacrylate Crosspolymer-6, Chlorphenesin, Cinnamomum Zeylanicum Leaf Oil, Zingiber Officinale Root Oil, Ceramide III, Hydroxyethylcellulose, Ethylhexylglycerin, Xanthan Gum, T-Butyl Alcohol, Citric Acid, Alpha Isomethyl Ionone, Amyl Cinnamal, Benzyl Benzoate, Cinnamal, Citral, D-Limonene, Eugenol, Isoeugenol, Linalool	Ginger extract: • Promotes blood circulation. • Has anti-inflammatory effects. Producttype: Active Serum in cream

NBE FAT REDUCTION

FUNCTION	INGREDIENT BENEFITS
• Stimulates natural lipolysis • Converts fat into energy • Fat is burned as during intense physical activity • Prevents the formation of new fat in fat cells • Has a strong detoxifying effect • Firms the connective tissue	Quinoa Seed Extract: • Prevents fat absorption and fat storage. • Improves lymphatic drainage. Amino Acid (Proline): • Prevents fat absorption. • Prevents fat storage. Converts fat into cellular energy. • Eliminates existing fat.
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	Lipopeptide: • Converts fat into energy.
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Hydrogenated Phosphatidylcholine, Glycerin, Squalane, Olea Europaea Oil Unsaponifiables, Methylpropanediol, Canola Oil, Sorbitan Laurate, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Dipalmitoyl Hydroxyproline, Phenoxyethanol, Lauroyl Proline, Butylene Glycol, Polyacrylate Crosspolymer-6, Chlorphenesin, Ceramide NP, Hydroxyethylcellulose, Ethylhexylglycerin, Xanthan Gum, Chenopodium Quinoa Seed Extract, Polysorbate 20, Disodium Phosphate, Sodium Phosphate, Citric Acid.	Producttype: Active Serum in cream

NBE STRIAE

FUNCTION	INGREDIENT BENEFITS
• Increases collagen production in the skin • Improves elasticity • Strengthens connective tissue • Promotes wound healing • Works very well on deep wrinkles (can also be used preventively)	Organic silicone derived from freshwater algae: • Promotes the repair of connective tissue (elastin & collagen). • Prevents scar formation. • Repairs existing scars. • Firms the skin. • Acts as an antioxidant.
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	Cannabis Sativum seed oil: • Essential oil rich in polyunsaturated fatty acids. • Makes the skin soft and supple. • Improves cellular functions.
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholin, Squalane, Methylpropanediol, Olea Europaea (Olive) Oil Unsaponifiables, Canola Oil, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Polyacrylate Crosspolymer-6, Chlorphenesin, Ceramide III	Producttype: Active Serum in cream

NBE IMPURE SKIN

FUNCTION	INGREDIENT BENEFITS
• Increases collagen production in the skin • Improves elasticity and connective tissue • Promotes wound healing • Works very well on deep wrinkles (can also be used preventively)	Organic silicone derived from freshwater algae: • Repairs connective tissue (elastin & collagen). • Prevents scar formation. • Repairs existing scars. Lavender extract: • Is a natural antibacterial agent.
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	Hops extract: • Phytohormone activity. • Regulates sebum secretion.
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Hydrogenated Phosphatidylcholin, Glycerin, Squalane, Methylpropanediol, Olea Europaea Oil Unsaponifiables, Canola Oil, Cannabis Sativa Seed Oil, Propylene Glycol, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Polyacrylate Crosspolymer-6, Hydrogenated Starch Hydrolysate, Chlorphenesin, PEG-35 Castor Oil, Hydroxyethylcellulose, Lavendula Augustifolia Oil, Ceramide III, Sodium Lauroyl Sarcosinate, Decarboxy Carnosine HCL, Ethylhexylglycerin, Xanthan Gum, Butylene Glycol, Asparagopsis Armata Extract, Hydrolyzed Collagen, Silanediol Salicylate, Chamomillia Recutita Extract, Ascophyllum Nodosum Extract, Hydrolyzed Elastin, Saponaria Officinalis Extract, Humulus Lupulus Extract, Aloe Barbadensis Leaf Extract, Methylparaben, Cucumber Fruit Extract, Potassium Sorbate, Glycosaminoglycans, Trisodium EDTA, Propylparaben, Disodium Phosphate, Polysorbate 20, Sodium Phosphate, Citric Acid	Marine elastin: • Prevents the formation of permanent scar tissue. Producttype: Active Serum in cream

NBE HYPERPIGMENTATION

FUNCTION	INGREDIENT BENEFITS
• Inhibits the signal that activates the pigment cell • Reduces the cell's tyrosinase activity (an enzyme that can lead to the formation of dark pigment) • Inhibits the transport of melanosomes to keratinocytes • Has a strong antioxidant effect against free radicals • Helps normalize age spots, post-inflammatory, hyperpigmentation, and melasma	Nonapeptide-1: • Reduces pigment formation in melanocytes. Cress: • Protects the skin. • Acts as an antioxidant. • Prevents the spread of excess pigment (phagocytosis).
HOW TO USE Use as part of your NBE serum mix, along with NBE Base. (1 to 2 pumps)	
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholin, Squalane, Methylpropanediol, Olea Europaea (Olive) Oil Unsaponifiabiles, Canola Oil, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Phenoxyethanol, Polysorbate 80, Alcohol, Lecithin, Polyacrylate Crosspolymer-6, Chlorphenesin, Lysolecithin, Ceramide III, Hydroxyethylcellulose, Ethylhexylglycerin, Xanthan Gum, Ethyl Ascorbic Acid, Niacinamide, Potassium Azeloyl Diglycinate, Phenethyl Alcohol, Bisabolol, Caprylhydroxamic Acid, Tocopheryl Acetate, Soy Isoflavones, Caprylyl Glycol, TButyl Alcohol, Lepidium Sativum Sprout Extract, Phytic Acid, Methylparaben, Propylparaben, Ethylparaben, Dextran, Nonapeptide-1, Citric Acid.	Producttype: Active Serum in cream

NBE BARRIER EPITHELIUM+

FUNCTION	INGREDIENT BENEFITS
• Stimulates cell division and collagen synthesis • Soothes the skin and reduces redness • Prevents scarring • Has anti-inflammatory properties • Improves skin elasticity • Reduces the appearance of fine lines and deep wrinkles • Improves complexion • Supports the skin's natural healing process	Lecithin: • Improves the penetration of active ingredients. Panthenol (provitamin A): • Softens the skin. • Acts as an antioxidant. Biosaccharide Gum-1: • Provides hydration. • Makes the skin soft and supple. • Improves cellular functions.
HOW TO USE Use in combination with NBE Base. (1 to 2 pumps) OR to manually conclude your treatment if the skin is hypersensitive due to intolerances or a serious illness (e.g., very thin or hypersensitive skin after or during chemotherapy). It also has a soothing effect if the client has a specific reaction to a product during your treatment.	Copper Tripeptide-1: • Repairs the skin. • Has anti-inflammatory properties. • Softens scars. • Accelerates wound healing. • Acts as an antioxidant.
INGREDIENTS Aqua, Cetyl Alcohol, Glycerin, Canola oil, Coco-caprylate/Caprate, Coconut Alkanes, Behenyl Alcohol, Glyceryl Stearate, Phenoxyethanol, Palmitic Acid, Stearic Acid, Ethylhexylglycerin, Panthenol, Parfum, Lecithin, Lauryl Alcohol, Myristyl Alcohol, Xanthan gum, Bisabolol, Tocopheryl Acetate, Triethanolamine, Biosaccharide Gum-1, Copper Tripeptide-1, Citric acid, Caprylyl glycol, 1,2-hexanediol, Alcohol, Glycine, Soya Oil, Sodium oleate, Disodium EDTA	Producttype: Active Serum

HEPTA-PEPTIDE MASSAGE COMPLEX

FUNCTION	INGREDIENT BENEFITS
• Glides effortlessly • Leaves skin supple and soft • Strengthens the skin barrier • Soothes the skin • Promotes skin renewal HOW TO USE Can be mixed with your blend of NBE serums instead of the Base, creating a creamy texture that allows you to continue massaging. Just add a small amount. NOTE: This product is a rinse-off; if you mix this product with your serums, you must first rinse it off with lukewarm water before proceeding to the next step. Also ideal for manually massaging the face and body. INGREDIENTS	Arnica oil: • Has anti-inflammatory properties. • Protects dry and sensitive skin. • Stimulates skin regeneration. Grape seed oil: • Rich in antioxidants. • Hydrates the skin. • Stimulates the production of elastin and collagen. Hemisqualane: • Improves the integrity of the skin barrier. • Increases cell growth. • Reduces wrinkles and fine lines.
Caprylic/Capric Triglyceride, Glycerin, Caprylic/capric/succinic Triglyceride, Hydrogenated Vegetable Oil, Vitis Vinifera Seed Oil, C13-15 Alkane, Squalane, Glycine Soja Oil, Aqua, Ethyl Linoleate, Ethyl Linolenate, Bis-Ethylhexyl Hydroxydimethoxy Benzylmalonate, Sodium Surfactin, Ethyl Oleate, Phenoxyethanol, Parfum, Arnica Montana Flower Extract, Ethylhexylglycerin, Tocopherol, Vanillin	Producttype: Massage gel

BIO-ENERGY MASSAGE LOTION

FUNCTION	INGREDIENT BENEFITS
• Excellent glide • Leaves skin supple and soft • Has a powerful antioxidant effect • Protects against external stressors • Does not leave a greasy feeling • Does not stain clothing or towels • Contains no parabens or formaldehyde	Opuntia Indica extract: • Provides intense hydration. • Has a soothing effect. • Forms a protective layer on the skin.
HOW TO USE Ideal for massaging the face and body.	
INGREDIENTS Aqua, Cetearyl Ethylhexanoate, Canola Oil, Propanediol, Isostearyl Isostearate, Olus Oil, C14-22 Alcohols, Microcrystalline Cellulose, Cyclopentasiloxane, Opuntia Ficus-Indica Stem Extract, Camelina Sativa Seed Oil, Dimethicone, C12-20 Alkyl glucoside, Caprylyl/Capryl Glucoside, Glycerin, Cyclohexasiloxane, Trisodium Ethylenediamine Disuccinate, Hydroxyethyl Acrylate/Sodium Acryloyl Dimethyl Taurate Copolymer, Phenoxyethanol, Ethylhexylglycerin, Lactic Acid, Xanthan Gum, Parfum, Rosmarinus Officinalis Leaf Extract.	Producttype: Massagecream

PEEL-OFF ALGENMASKER ULTRA MOISTURIZING

FUNCTION	INGREDIENT BENEFITS
• Quickly and effectively restores the skin's moisture balance • Has antioxidant properties • Smooths the skin • Leaves the skin silky soft	Aloe Vera: • Soothes and softens the skin. • Helps regulate moisture levels. Calcium Sulfate: • Restores the skin barrier. • Nourishes and softens the skin. Xanthan Gum: • Restores the skin's moisture balance. • Prevents TEWL. • Is an effective anti-aging ingredient.
HOW TO USE Mix 2 scoops of powder with approximately 100 ml of room-temperature water. Mix thoroughly in the blue mixing bowl, using your spatula vigorously to create a smooth paste. Work quickly so the product doesn't set. Then apply from the forehead to the chin using broad strokes. The eyes and mouth may be covered if the client agrees. Leave the mask on until it has set. Next, loosen the edges with your index finger, moving from top to bottom, and remove the mask in one piece in the same direction. Wipe away any residue with a lukewarm cloth.	
INGREDIENTS Calcium Carbonate, Algin, Calcium Sulfate, Xanthan Gum, Caprylic/Capric Triglyceride, Gluconolactone, Tetrasodium Pyrophosphate, Aloe Barbandensis leaf juice powder, Biosaccharide Gum-1, Maltodextrin, C.I. 77007, Perfume	Producttype: Alginate peel-off mask

PEEL-OFF ALGENMASKER PURIFYING

FUNCTION	INGREDIENT BENEFITS
• Removes impurities • Refines pores • Regulates sebum HOW TO USE Mix 2 scoops of powder with approximately 100 ml of room-temperature water. Mix thoroughly in the blue mixing bowl, using your spatula vigorously to create a smooth paste. Work quickly so the product doesn't set. Then apply from the forehead to the chin using broad strokes. The eyes and mouth may be covered if the client agrees. Leave the mask on until it has set. Next, loosen the edges with your index finger, moving from top to bottom, and remove the mask in one piece in the same direction. Wipe away any residue with a lukewarm cloth. INGREDIENTS Perlite, Calcium Carbonate, Algin, Calcium Sulfate, Xanthan Gum, Caprylic/Capric Triglyceride, Gluconolactone, Tetrasodium Pyrophosphate, Bixa Orellana Seed Extract, Silver, Maltodextrin, C.I. 77019, C.I. 77891, C.I. 42090:2, C.I. 19140:1, Hydrogenated Polyisobutene, Palmitic Acid, Perfume (Fragrance)	Bixa Orellana: • Regulates sebum production and removes impurities. • Refines pores. Maltodextrin: • Softens the skin. • Has a moisturizing and plumping effect. • Has a mattifying effect. Calcium Sulfate: • Restores the skin barrier. • Nourishes and softens the skin. Xanthan Gum: • Restores the skin's moisture balance. • Prevents TEWL. • Is an effective anti-aging agent. Producttype: Alginate peel-off mask

PEEL-OFF ALGENMASKER LIFTING

FUNCTION	INGREDIENT BENEFITS
• Provides an immediate firming effect • Improves the visible appearance of skin firmness • Leaves the skin feeling tight and refreshed • Helps improve skin smoothness • Leaves the skin feeling comfortable and pleasant	Algin (plant-based) • Forms a flexible film that supports the immediate firming effect. Perlite (mineral-based) • Helps create a smooth and refined complexion. Hippophae Rhamnoides Kernel Extract • A plant-based ingredient known for its nourishing and skin-care properties, which improve skin comfort and softness. Gluconolactone • Known for its gentle skin-care properties, which improve the skin's overall smoothness and radiance.
HOW TO USE Mix 2 scoops of powder with approximately 100 ml of room-temperature water. Mix thoroughly in the blue mixing bowl, using your spatula vigorously to create a smooth paste. Work quickly so the product doesn't set. Then apply from the forehead to the chin using broad strokes. The eyes and mouth may be covered if the client agrees. Leave the mask on until it has set. Next, loosen the edges with your index finger, moving from top to bottom, and remove the mask in one piece in the same direction. Wipe away any residue with a lukewarm cloth.	
INGREDIENTS Perlite, Calcium Carbonate, Algin, Calcium Sulfate, Xanthan Gum, Caprylic/Capric Triglyceride, Gluconolactone, Tetrasodium Pyrophosphate, Hippophae Rhamnoides Kernel Extract, Maltodextrin, C.I. 77491, Parfum	Producttype: Alginate peel-off mask

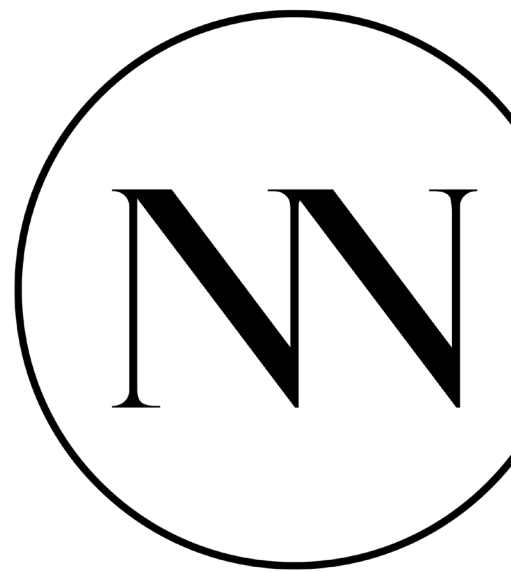

NBE POWERSCULPT PROFESSIONAL

FUNCTION	INGREDIENT BENEFITS
• Smart and targeted slimming (lipolysis effect) • Tightening and reshaping the face into a V-shape. (Protection and repair of skin fibers "collagen, elastin, proteoglycans...") • Skin repair and regeneration. (Activation of cellular metabolism) • Antioxidant, anti-glycation	Sarcocapnos Crassifolia: • Reduction of localized fat deposits. • Tightening and remodeling. Olea Europea Silvestris • Revitalizes and boosts skin energy. • Has a tightening and restorative effect. • Reduces wrinkles around the mouth, eyes, chin, and décolleté. • Has a rejuvenating effect and promotes graceful aging.
HOW TO USE Use as part of your NBE serum mixture, together with NBE Base. (1 to 2 pumps) OR as the sole NBE serum in combination with NBE Base and Activator for a specific area, such as a double chin (The only NBE serum that can also be offered as a home care product; clients can complete this at-home routine with a Gua sha tool)	
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Glycerin, Hydrogenated Phosphatidylcholine, Squalane, Methylpropanediol, Olea Europaea Oil Unsaponifiables, Canola Oil, Cannabis Sativa Seed Oil, Butyrospermum Parkii Butter, Pentylene Glycol, Olea Europaea Leaf Extract, Phenoxyethanol, Polyacrylate Crosspolymer-6, Chlorphenesin, Hydroxyethylcellulose, Citric Acid, Xanthan Gum, Ethylhexylglycerin, Sodium Hydroxide, Ceramide NP, Sodium Nitrate, Cyamopsis Tetragonoloba Gum, Tocopherol, Flavonoids, Disodium Phosphate, Polysorbate 20, Fumaric Acid, Sodium Phosphate	Producttype: Serum in cream

HOME USE
CLEANSING

EYE MAKE-UP REMOVER

FUNCTION	INGREDIENT BENEFITS
• 100% natural eye cleanser • Non-greasy • Ultra-mild • Preservative-free	Coconut alkane: • A very fine, volatile oil found as a separate component in coconut oil. Coconut caprylate: • Provides a silky-smooth feel.
HOW TO USE Apply to a cotton pad and gently cleanse the eye area, starting at the base of the lashes and sweeping upward toward the tips. With its ultra-light texture, it's ideal for this delicate and sensitive area.	
INGREDIENTS Coco-Caprylate Caprate, Coconut Alkanes	Producttype: Cleansing oil

MAKE-UP REMOVER GEL

FUNCTION

- Gentle on the skin's hydrolipidic film
- Sugar-based
- Gel-to-Milk
- Gentle cleansing, even if you aren't wearing makeup

HOW TO USE

Massage thoroughly into the skin until the product feels less creamy, then moisten your hands with lukewarm water and work the product into a lather. Wipe off with a lukewarm cloth. Its thick texture cleanses the surface of the face and remains in contact with makeup, allowing the second cleanser to work deeper into the pores.

INGREDIENTS

Glycerin, Isohexadecane, Isostearyl Isostearate, Caprylic/Capric Triglyceride, Aqua, Sucrose Palmitate, Sucrose Laurate, Alcohol Denat, Parfum, Tocopheryl Acetate, Butylene Glycol, Rosa Multiflora Fruit Extract.

INGREDIENT BENEFITS

Shea Butter:

- Moisturizing.
- Improves circulation.
- Enhances skin elasticity.

Canola Oil:

- Rich in vitamins E and K.
- Helps reduce wrinkles, fine lines, and dark spots.
- Leaves skin soft and radiant.

Producttype: Cleansing gel

PURE ACTIVE CLEANSING

FUNCTION	INGREDIENT BENEFITS
• Doesn't affect your skin's pH balance • Sugar-based • Easy to use in the shower • Moisturizes the skin HOW TO USE Massage thoroughly into the skin until the product feels less creamy, moisten your hands with lukewarm water, and lather up. Rinse off with a lukewarm washcloth. For home use, this is the ideal cleanser to use in the shower. INGREDIENTS Aqua, Glycerin, Orbignya Oleifera Seed Oil, Caprylic/Capric Triglyceride, Decyl Glucoside, Sucrose laurate, Sodium Lauroyl Sarcosinate, Inulin, Xanthan Gum, Lactic Acid, Parfum, Triethanolamine	Sugar Gel: • An antioxidant that nourishes the skin. Lauric acid from coconut milk: • Has the same pH as the skin. • Has antiseptic properties. Babassu oil: • Rich in vitamin E. • Promotes cell regeneration. • Hydrates the skin.
	Producttype: Cleansing gel

PORE TREAT LOTION

FUNCTION	INGREDIENT BENEFITS
• Respects the skin's natural pH and biological barrier • Regulates moisture balance & normalizes sebum production • Prevents and corrects hyperpigmentation	Witch hazel extract: • Soothing. • Anti-inflammatory. Vitamin B5: • Regenerates. • Hydrates.
HOW TO USE Place one hand over your client's eyes and spray over the face, then gently pat the product into the skin with your fingertips. For home use, this is ideal for clients to take with them when traveling to keep their skin hydrated, refreshed, and soothed throughout the day. But even at home, this is an indispensable product in the skincare routine for dehydrated and/or acne-prone skin.	Allantoin: • Stimulates the formation of new cells. • Makes the skin soft and smooth.
INGREDIENTS Aqua, Hamamelis Virginiana Leaf Water, Glycerin, Gluconolactone, Butylene Glycol, PEG-40 Hydrogenated Castor Oil, Panthenol, Sodium Benzoate, Parfum, Potassium Sorbate, Propylene Glycol, Bisabolol, Rosa Multiflora Fruit Extract, TEA-Lactate, Sorbitol, Sodium Lactate, Lactic Acid, Serine, Urea, Calcium Gluconate, Sodium Chloride, Citric Acid, Allantoin.	Producttype: Lotion

WILLOW BARK PEELING MASK

FUNCTION	INGREDIENT BENEFITS
• Gentle keratolytic peel with natural salicylic acid • Removes dead skin cells • Leaves skin smooth and radiant • Reduces and prevents skin inflammation	Salix Alba extract: • Natural salicylic acid extracted from the bark of the white willow. Aloe Vera (barbadensis leaf): • Soothes. • Prevents skin irritation. • Antibacterial. Chamomile: • Has anti-inflammatory properties. Jojoba oil: • Is a natural antioxidant.
HOW TO USE Apply to the face and massage in thoroughly; leave on for another 10 minutes, and perform a scalp massage on the client, for example. Remove with a lukewarm cloth. NOTE: Salix alba is equivalent to natural salicylic acid; in high doses, this can be harmful to pregnant women. Since the dose in cosmetics is relatively low, this is generally not a concern with this product. However, to be on the safe side, we still recommend using our Silky Smooth Exfoliant in this case.	
INGREDIENTS Aqua, Orbignya Oleifera Seed Oil, Cetearyl Alcohol, Caprylic/ Capric Triglyceride, C14-22 Alcohols, Distarch Phosphate, Pentaerythrityl Tetracaprylate Tetracaprate, Salix Alba (Willow Bark) Extract, C12-20 Alkyl Glucoside, Phenoxyethanol, Caprylyl Glycol, Panthenol, Ethylhexylglycerin, Xanthan Gum, Bisabolol, Inulin Lauryl Carbamate, Simmondsia Chinensis Seed Oil, Tocopheryl Acetate, Helianthus Annuus Seed Oil, Rosmarinus Officinalis Leaf Extract, Citric Acid.	Producttype: Cream peelingmask

SILKY SMOOTH EXFOLIANT

FUNCTION	INGREDIENT BENEFITS
• Scrub with skin-improving properties • Gel-to-milk formula • Round, soft scrub beads, biodegradable	Apricot oil: • Rich in Vitamin A. • Strengthens the cell membrane. • Softens the skin.
HOW TO USE	Probiotic Lactococcus ferment lysate: • Improves natural desquamation and cellular-cohesion. • Strengthens the skin.
INGREDIENTS Prunus Armeniaca Kernel Oil, Glycerin, Olea Europaea Fruit Oil, Triticum Vulgare Germ Oil, Aqua, Glycol Distearate, Glycine Soja Oil, Linoleic Acid, Octyldodecanol, Sucrose Palmitate, Parfum, Phenoxyethanol, Hypericum Perforatum Flower/Leaf/Stem Extract, Dicaprylyl Ether, Sucrose Stearate, Ethylhexylglycerin, Lactococcus Ferment Lysate, Leptospermum Scoparium Branch/Leaf Oil, Sodium Citrate, Lauryl Alcohol, Linolenic Acid, Magnolia Grandiflora Bark Extract, Phragmites Communis Extract, Poria Cocos Extract, Sodium Benzoate, Citric Acid, Magnolia Officinalis Bark Extract, Piper Nigrum Seed Extract, Tocopherol, Lactic Acid, Helianthus Annuus Seed Oil, Sodium Chloride, Rosmarinus Officinalis Leaf Extract, Octenidine HCL	Magnolia Grandiflora extracts: • Softens and strengthens the skin. • Repairs sun damage. • Prevents redness and irritation. Producttype: Soft scrub

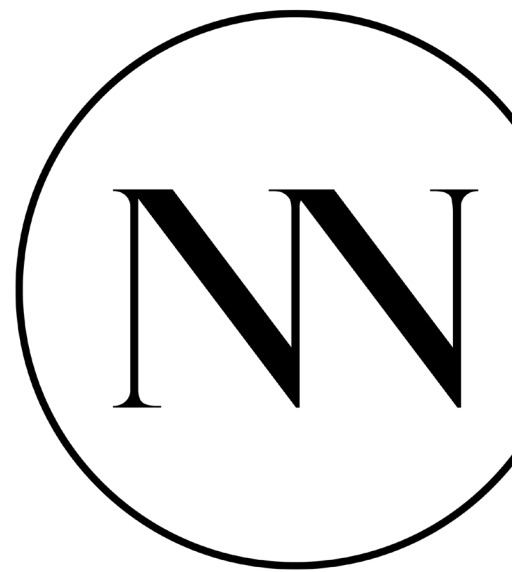

PHYTOACTIVE SCRUB

FUNCTION	INGREDIENT BENEFITS
- Removes dead skin cells and stimulates cell regeneration - Normalizes sebum production - Stimulates new cell growth - Prevents transepidermal water loss (TEWL) - Is completely biodegradable	Plant-based ivory derived from tagua seeds: - Gentle on the skin. - Biodegradable. Hydrolyzed wheat germ proteins (a natural, water-soluble component of wheat): - Rich in vitamin E. - Has moisturizing properties. - Softens the skin.
HOW TO USE Apply to the face, gently exfoliate, lather the product with wet hands, and rinse off with a lukewarm cloth.	
INGREDIENTS Aqua, Phytelephas Aequatorialis Seed Powder, Sodium Lauryl Glutamate, Decyl Glucoside, PEG-60 Almond Glycerides, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, PEG-7 Glyceryl Co-coate, Parfum, Propylene Glycol, Aloe Barbadensis Leaf Extract, Mica, Benzyl Alcohol, Phenoxyethanol, Hydroxypropyl Guar, Xanthan Gum, Potassium Sorbate, Sodium Hydroxide, CI 77891 (Titanium Dioxide), CI 77491 (Iron Oxides), Sodium Benzoate, Tocopherol, Citric acid	Producttype: Scrub

HOME USE
NOURISHING

RECOVERING & CALMING MASK

FUNCTION	INGREDIENT BENEFITS
• Quickly restores dehydrated, damaged, irritated, red, and stressed skin • Has a soothing and calming effect	White clay: • Cleanses deep into the pores. • Regulates sebum production. • Has anti-inflammatory and anti-microbial properties.
HOW TO USE Apply a thin layer and spread it evenly over the face using the NANNIC mask brush. Let it sit for 10 to 20 minutes while giving your client a hand or foot massage, then remove it with a lukewarm cloth.	Blend of fine oils: • Improves the skin's barrier function. • Prevents TEWL. Extracts from Magnolia Grandiflora: • Soothe and strengthen the skin. • Repair sun damage. • Prevent redness and irritation.
INGREDIENTS Glycerin, Prunus Persica Kernel Oil, Kaolin, Glycine Soja Oil, Triticum Vulgare Germ Oil, Lactococcus Ferment Lysate, Octyldodecanol, Sucrose Palmitate, Parfum, Olus Oil, alpha-Tocopherol, Camelina Sativa Seed Oil, Dicaprylyl Ether, Leptospermum Scoparium Branch/leaf Oil, Calendula Officinalis Flower Extract, Lauryl Alcohol, Lactic Acid, Magnolia Officinalis Bark Extract, Piper Nigrum Seed Extract, Sodium Chloride, Helianthus Annuus Seed Oil, Sodium Benzoate, Magnolia Grandiflora Bark Extract, Tocopherol, Rosmarinus Officinalis Leaf Extract	Extracts from the tea plant: • Prevent inflammation. • Reduce pore blockages. Producttype: Cream mask

ANTI-WRINKLE SET DAY & NIGHT

FUNCTION	INGREDIENT BENEFITS
• Fights wrinkles • Firms the skin • Restores cellular structure • Reduces wrinkles around the eyes and mouth	Sesame protein: • Antioxidant • Rich in vitamins and minerals. Vitamin E: • Moisturizing and healing. Short-chain hyaluronic acid: • Moisturizes Cannabis oil: • Contains vitamin D and a very high concentration of vitamin E. • Has anti-inflammatory properties. • Is an antioxidant.
HOW TO USE Pump a small amount of product onto the tips of your index fingers and apply a thin layer around the eyes and/or lips.	
INGREDIENTS ANTI-WRINKLE DAY: Aqua, Hydrogenated Starch Hydrolysate, Glycerin, Caprylic/Capric Triglyceride, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Citrus Aurantifolia Seed Oil, Coco-caprylate/Caprates, Coconut Alkanes, Canola Oil, Phenoxyethanol, Isohexadecane, Acrylates Copolymer, Panthenol, Polysorbate 80, Parfum, Chlorphenesin, Lactic Acid, Ethylhexylglycerin, Sorbitan Oleate, Tocopheryl Acetate, Asparagopsis Armata Extract, Biosaccharide Gum-1, Ascophyllum Nodosum Extract, VP/Polycarbamyl Polyglycol Ester, Hydrolyzed Sesame Protein PG-Propyl Methylsilanediol, Bisabolol, Potassium Sorbate, Glycosaminoglycans, Trisodium EDTA, Citric Acid. ANTI-WRINKLE NIGHT: Aqua, Methylsilanol Mannurate, Glycerin, Cannabis Sativa Seed Oil, Neopentyl Glycol Diethylhexanoate, Canola Oil, Caprylic/Capric Triglyceride, Isodecyl Neopentanoate, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Phenoxyethanol, Isohexadecane, Panthenol, Polysorbate 80, Ethylhexylglycerin, Tocopheryl Acetate, Sorbitan Oleate, Helianthus Annuus Seed Oil, Parfum, Biosaccharide Gum-1, Rosmarinus Officinalis Leaf Extract, Hydrolyzed Hyaluronic Acid, Sorbic Acid, Citric Acid, Caprooyl Tetrapeptide-3, Dextran.	Producttype: Serum in cream

VENATRIX ANTI-REDNESS

FUNCTION	INGREDIENT BENEFITS
• Reduces facial redness • Reduces the appearance of dark circles • Reduces the appearance of telangiectasia	Hops Extract: • Prevents neovascularization. Essential amino acids (Hydroxylysine & hydroxyproline/silicon): • Acts on procollagen. • Promotes the formation of new collagen (I) fibers. • Strengthens the cellular matrix surrounding the capillaries, resulting in less redness and fewer broken capillaries. Tetra Peptide: • Prevents the activation of pigment cells. • Prevents hyperpigmentation. • Reduces the influence of MMPs (matrix metalloproteinases) that break down other proteins (collagen and elastin), resulting in firmer skin.
HOW TO USE	Producttype: Serum
Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS	
Aqua, Caprylic/Capric Triglyceride, Distarch Phosphate, Methylsilanol Hydroxyproline Aspartate, Glyceryl Stearate, Glycerin, Coco-caprylate/caprate, Coconut Alkanes, Behenyl Alcohol, Butylene Glycol, Phenoxyethanol, Palmitic Acid, Stearic Acid, Cetyl Alcohol, Lauryl Alcohol, Myristyl Alcohol, Lecithin, Panthenol, Ethyl Lauroyl Arginate HCl, Ethylhexylglycerin, Tocopheryl Acetate, Xanthan Gum, Chenopodium Quinoa Seed Extract, Salicylic Acid, Caprylyl Glycol, Sodium Methyl Paraben, Propylparaben, Acetyl Tetrapeptide-40, Pantolactone, Citric Acid	

AGE REVERSE

FUNCTION	INGREDIENT BENEFITS
• Smooths wrinkles from the inside out • Provides long-lasting, intense hydration • Strengthens natural cellular processes	Short-chain hyaluronic acid: • Regulates hydration. Encapsulated hyaluronic acid: • Moisture regulation in the deeper layers of the skin. Vitamin E: • Hydrates and nourishes.
HOW TO USE	
Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS	
Aqua, Caprylic/Capric Triglyceride, Distarch Phosphate, Coconut Alkanes, Glyceryl Stearate, Glycerin, Ethylhexyl Palmitate, Behenyl Alcohol, Phenoxyethanol, Palmitic Acid, Stearic Acid, Coco-Caprylate/Caprate, Lauryl Alcohol, Lecithin, Citric Acid, Myristyl Alcohol, Panthenol, Butylene Glycol, Ethyl Lauroyl Arginate HCl, Tocopheryl Acetate, Ethylhexylglycerin, Parfum, Xanthan Gum, Pseudoalteromonas Exopolysaccharides, Trihydroxystearin, Cetyl Alcohol, Sodium Salicylate, Hyaluronic Acid, Silanetriol, Sorbic Acid, Sodium Hyaluronate, Amorphophallus Konjac Root Extract.	Producttype: Serum

EPITHELIUM+

FUNCTION	INGREDIENT BENEFITS
• Soothes the skin and reduces redness • Prevents scarring • Has anti-inflammatory properties • Improves skin elasticity • Supports the skin’s natural healing process	Cu-tripeptide: • Has powerful skin-repairing properties and stimulates cell division. • Soothes rough and stressed skin. α-Bisabolol: • Skin-repairing. • Keeps the skin supple and hydrated. • Soothes skin irritations. Lecithin: • Increases absorption.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Cetyl Alcohol, Glycerin, Canola oil, Coco-caprylate/Caprate, Coconut Alkanes, Behenyl Alcohol, Glyceryl Stearate, Phenoxyethanol, Palmitic Acid, Stearic Acid, Ethylhexylglycerin, Panthenol, Parfum, Lecithin, Lauryl Alcohol, Myristyl Alcohol, Xanthan gum, Bisabolol, Tocopheryl Acetate, Triethanolamine, Biosaccharide Gum-1, Copper Tripeptide-1, Citric acid, Caprylyl glycol, 1,2-hexanediol, Alcohol, Glycine, Soya Oil, Sodium oleate, Disodium EDTA	Producttype: Serum in cream

AGE CONTROL NORMAL & MIXED SKIN

FUNCTION	INGREDIENT BENEFITS
• Stimulates collagen, elastin, and endogenous hyaluronic acid • Wrinkles fade • Complexion becomes fresher and more even • Skin becomes firmer	Hibiscus Seed Extract: • Protects and inhibits the breakdown of FGF-2 (Fibroblast Growth Factor) in the skin. Grape Extract: • Is a powerful antioxidant. Glucosaminoglycans: • Inhibitors of MMPs (Matrix metalloproteinases). • Clear away damaged tissue. • Contribute to the formation of new tissue.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Caprylic/Capric Triglyceride, Passiflora Edulis Seed Oil, Coconut Alkanes, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Glycerin, Phenoxyethanol, Isohexadecane, Hydrogenated Starch Hydrolysate, Butylene glycol, Panthenol, Polysorbate 80, Cococaprylate/Caprate, Parfum, Ethylhexylglycerin, Hibiscus Abelmoschus Seed Extract, Sorbitan Oleate, Tocopheryl Acetate, Asparagopsis Armata Extract, Sodium Hyaluronate, Biosaccharide Gum-1, Ascophyllum Nodosum Extract, Bisabolol, Xanthan gum, Potassium sorbate, Glycosaminoglycans, Trisodium EDTA, Citric acid.	Producttype: Serum in cream

AGE CONTROL DRY & SENSITIVE SKIN

FUNCTION	INGREDIENT BENEFITS
• Stimulates collagen, elastin, and endogenous hyaluronic acid • Protects growth factors • Wrinkles fade • Complexion becomes fresher and more even • Skin becomes firmer	Vitamin E: • Is an antioxidant. Hyaluronic acid: • Hydrates. Cannabis: • Rich in vitamins, minerals, and phytosterols. • Hydrates. • Has anti-inflammatory properties. • Makes the skin less rough.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Squalane, Methylpropanediol, Canola Oil, Isodecyl Neopentanoate, Olea Europaea Oil Unsaponifiables, Glycerin, Distarch Phosphate, Behenyl Alcohol, Glyceryl Stearate, Stearic Acid, Phenoxyethanol, Myristyl Lauryl Cetyl Alcohol Mixture, Butyrospermum Parkii Butter, Hydrogenated Starch Hydrolysate, Butylene Glycol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Chlorphenesin, Palmitic Acid, Aminomethyl Propanol, Ethylhexylglycerin, Lecithin, Xanthan Gum, Hydroxyethylcellulose, Hibiscus Abelmoschus Seed Extract, Hydrogenated Lecithin, Disodium EDTA, Asparagopsis Armata Extract, Ascophyllum Nodosum Extract, Potassium Sorbate, Glycosaminoglycans, Trisodium EDTA, Disodium Phosphate, Polysorbate 20, Sodium Phosphate	Producttype: Serum in cream

AGE CONTROL OILY & IMPURE

FUNCTION	INGREDIENT BENEFITS
• Tightens pores • Regulates sebum production • Has anti-inflammatory properties • Reduces acne • Leaves skin feeling matte and soft	Rosehip extract: • Moisturizing. • Softens scars. • Repairs the skin. Salicylic Silica: • Anti-acne. • Anti-inflammatory. • Moisture-regulating. Complex of extracts from lavender, cucumber, marine elastin, and algae: • Balances sebum production. • Normalizes the side effects of this overproduction.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Polyglyceryl-3 Rice Branate, Propylheptyl Caprylate, Cetearyl Alcohol, Glycerin, Butyrospermum Parkii Butter, Propylene Glycol, Squalane, Cetyl Alcohol, C13-15 Alkane, Isododecane, Silica, Canola Oil, Phenoxyethanol, Butylene Glycol, Carbomer, CI 77891, PEG-35 Castor Oil, Ethylhexylglycerin, Parfum, Tocopheryl Acetate, Lavandula Angustifolia Oil, Caprylyl Methicone, Sodium Lauroyl Sarcosinate, Helianthus Annuus Seed Oil, PEG-8, Sodium Hydroxide, Hydrolyzed Collagen, CI 77491, Silanediol Salicylate, Tocopherol, Rosmarinus Officinalis Leaf Extract, Chamomilla Recutita Extract, Rosa Multiflora Fruit Extract, Hydrolyzed Elastin, Saponaria Officinalis Extract, Asparagopsis Armata Extract, Humulus Lupulus Extract, Ascorbyl Palmitate, Aloe Barbadensis Leaf Extract, Methylparaben, Cucumis Sativus Fruit Extract, Propylparaben, Ascorbic Acid, Citric Acid, Ethylparaben, Glycine Soja Oil.	Producttype: Serum in cream

COLLAGEN BOOST DAY & NIGHT REPAIR

FUNCTION	INGREDIENT BENEFITS
- Effectively reduces wrinkles and fine lines - Maintains optimal moisture balance - Increases collagen production - Reduces the depth of expression lines	Squalene: - Antioxidant. - Reduces wrinkles. - Fades scars. - Repairs UV damage. - Lightens pigmentation spots. Hyaluronic acid: - Helps the skin retain moisture. Acetyl Octapeptide: - Reduces the depth of expression lines. Pseudoaltermonas Ferment Extract: - Regenerates and protects the skin by adding moisture. - Promotes collagen and elastin production and improves moisture balance.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Squalane, Methylpropanediol, Canola Oil, Glycerin, Isodecyl Neopentanoate, Olea Europaea Oil Unsaponifiable, Cannabis Sativa Seed Oil, Behenyl Alcohol, Glyceryl Stearate, Phenoxyethanol, Palmitic Acid, Stearic Acid, Caprylyl Glycol, Butyspermum Parkii, Pseudoalteromonas Ferment Extract, Carbomer, Hyaluronic Acid, Ethylhexylglycerin, Chlorphenesin, Hydrogenated Lecithin, Parfum, Butylene Glycol, Aminoethyl Propanol, Lecithin, Cetyl Alcohol, Lauryl Alcohol, Myristyl Alcohol, Xanthan Gum, Hydroxyethylcellulose, Disodium EDTA, Hydrolyzed Wheat Protein, Hydrolyzed Soy Protein, Tocopherol, Silanetriol, Citric Acid, Sorbic Acid, Acetyl Octapeptide-3, Tripeptide-10 Citrulline, Triethanolamine, Tripeptide-1.	Producttype: Serum in cream

COUP D'EXCELLENCE DNA ELIXIR

FUNCTION	INGREDIENT BENEFITS
• Instant mattifying effect • Instant & long-lasting hydration • Protects against oxidative pollution • Cell DNA is repaired • Inflammatory mechanisms reduced by 30% • Stimulates the skin's natural repair function	Sclerotium Gum: • Rich in lipids. Beta Vulgaris Beet Extract: • Restores NMFs. Tremella Fuciformis: • Protects against oxidation. Lactococcus Lactis: • Prebiotic = supports the skin's natural repair function. Natural Collagen: • Reduces wrinkles. • Increases elasticity.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream. A great serum to use under make-up or before a night out. Gives you a beautiful glow!	
INGREDIENTS Aqua, Bifida Ferment Lysate, Soluble Collagen, Lactococcus Ferment Lysate, Hydrolyzed Elastin, Propanediol, Caprylyl/ Capryl Glucoside, Phenoxyethanol, Hydrolyzed Corn Starch, Beta Vulgaris Root Extract, Sclerotium Gum, Gluconolactone, Perfume, Tremella Fuciformis Extract, Leuconostoc/ Radish Root Ferment Filtrate, Lactic Acid, Sodium Benzoate, Ethylhexylglycerin, Sodium Hydroxide, Acetic Acid, Sodium Chloride, Calcium Gluconate, Decyl Alcohol, p-Anisic Acid	Producttype: Serum

INTENSE LIP REPAIR

FUNCTION

- Moisturizes the skin on the lips
- Adds volume and definition
- Reduces lip sensitivity
- Contains UV filters

HOW TO USE

Apply a thin layer to your lips using the stick.

INGREDIENTS

Paraffin, Petrolatum, Paraffinum Liquidum, Orbignya Oleifera Seed Oil, C12-15 Alkyl Benzoate, Octyldodecanol, Ethylhexyl Methoxycinnamate, Cera microcristallina, Phenyl Trimethicone, Lauryl PCA, Glyceryl Linoleate, Cera Alba, Distearidimonium Hectorite, Polyglyceryl-3 Beeswax, Butyl, Methoxydibenzoyl-methane, Ethylhexyl Palmitate, Propylene Carbonate, Echium Plantagineum Seed Oil, Parfum, Tribehenin, Glycine Soja oil, Glyceryl Linolenate, Helianthus Annuus seed oil unsaponifiables, Propylparaben, Sorbitan Isostearate, Cardiospermum Halicacabum Flower/Leaf/Vine Extract, Propylene Glycol, BHT, Aloe Barbadensis Leaf Extract, Maltol, Lactic acid, Ascorbyl Palmitate, Glyceryl Stearate, Tocopherol, Citric Acid, Palmitoyl Tripeptide-1, Lecithin, Benzyl benzoate (afkomstig parfum)

INGREDIENT BENEFITS

Glycosaminoglycans (GAGs):

- Moisturizing.

Palmitoyl tripeptide:

- Stimulates the skin's natural process of collagen production and reduces fine lines.

Cardio spermum haliocacabum:

- Soothing.
- Reduces lip sensitivity.

Aloe Vera:

- Moisturizing and restorative.

Producttype: Lipbalm

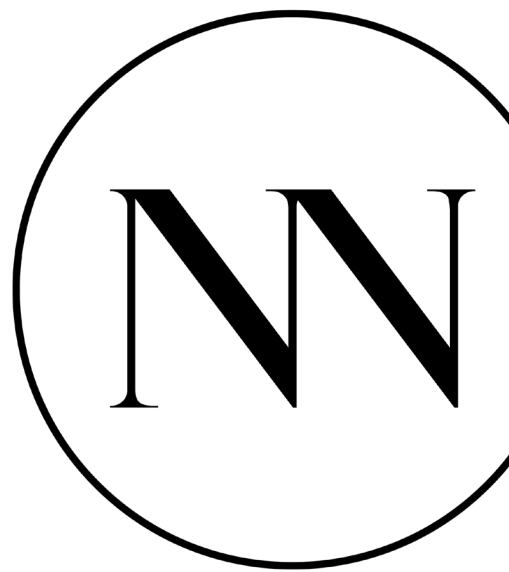

UV-SHIELD

FUNCTION	INGREDIENT BENEFITS
• Unique anti-aging UV protection (SPF 20) • Can be worn over makeup • Quick and easy to apply • Does not stain clothing • Unisex	Encapsulated sun filters: • Provide UVA and UVB protection. • The sun filters are encapsulated in silica, making it impossible for them to penetrate the skin or enter the bloodstream. Red Algae extract: • Moisturizing. • Antioxidant. • Antibacterial.
HOW TO USE	
Spray onto your face, then gently pat the white dots that appear on your skin into your skin using your fingertips.	
INGREDIENTS	
Aqua, Octocrylene, Phenylbenzimidazole Sulfonic Acid, Porphyra Umbilicalis Extract, Sorbitol, Ethylhexyl Methoxycinnamate, Butyl Methoxydibenzoylmethane, Sodium Hydroxide, Phenoxyethanol, Silica, Pentylene Glycol, Alcohol Denat., PVP, Ethylhexylglycerin, Phospholipids, Potassium Hydroxide, Sodium Lactate, Glycerin, Methylparaben, TEA-Lactate, Lactic Acid, Urea, Serine, PEG-40 Hydrogenated Castor Oil, Propylparaben, Sodium Chloride, Parfum, Propylene Glycol, Sodium Benzoate, Allantoin, Benzyl Alcohol	Producttype: UV-Spray

STRATUM SYMBIOSUM
PREBIOTISCH

PREBIOTIC PORE CARE CLEANSER

FUNCTION

- Removes impurities
- Refines pores
- Refreshes and softens the skin
- Helps maintain a healthy microbiome

HOW TO USE

Apply the product to DRY skin, let it dry briefly, massage in with damp hands, and rinse off with a lukewarm washcloth. This product may cause a slight tingling sensation, which is the smectic clay doing its job.

You can apply it, let it dry, and rinse it off in the shower if your client prefers to combine cleansing with showering.

INGREDIENTS

Aqua, Oryza Sativa Starch, C12-15 Alkyl Benzoate, Salix Alba Bark Extract, Inulin, Phenoxyethanol, C10-18 Triglycerides, Cellulose, Glycerin, Cellulose Gum, Parfum, Fructose, Xanthan Gum, Ethylhexylglycerin, Inulin Lauryl Carbamate, Lactic Acid

INGREDIENT BENEFITS

Smectic clay:

- Natural emulsifying system.
- Has a refreshing and sebum-absorbing effect.

Inulin & Fructose from chicory:

- Fills in wrinkles and has a lifting effect.
- Leaves your skin feeling soft.
- Restores the microbiome.

Temperature-treated rice starch:

- Minimizes pores.
- Removes blackheads.

Producttype: Cleanser

PREBIOTIC HYALURON & AGAVE TONER

FUNCTION	INGREDIENT BENEFITS
• Pre-serum • Stimulates the skin's natural production of hyaluronic acid • Leaves skin soft and smooth • Helps with acne, blackheads, and whiteheads	Witch hazel extracts: • Reduces redness. • Minimizes the appearance of pores. • Reduces puffiness. • Has anti-inflammatory properties. Sodium Hyaluronate: • Hydrates. • Softens the stratum corneum. • Forms a protective film on the skin and supports the microbiome. Nectar from the Agave tequilana plant: • Has a lifting effect. • Soothes irritated skin. • Reduces acne and blackheads. Producttype: Toner
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Hamamelis Virginiana Leaf Water, Propanediol, Maltose, Citric Acid, Sodium Benzoate, Algin, Potassium Sorbate, Sodium Hyaluronate, Agave Tequilana Leaf Extract.	

PREBIOTIC VITAMIN D BOOSTER SERUM

FUNCTION	INGREDIENT BENEFITS
- Improves hypersensitive, reactive, irritated, and intolerant skin - Helps prevent and repair UV damage - Boosts vitamin D synthesis	Stem cells from <i>Daucus Carota Sativa</i>: - Protects against oxidative stress. - Reduces inflammation. - Provides protection against redness. - Quickly heals erythema.
HOW TO USE	Stem cells from <i>Lithops nectar</i> (living stones): - Boost Vitamin D synthesis - Give a beautiful complexion - Filler effect. - Provide natural protection against UV rays. - Improve skin hydration.
INGREDIENTS HOME USE: Aqua, Glycerin, Propanediol, Phenoxyethanol, <i>Daucus Carota Sativa</i> Root Extract, Microcrystalline Cellulose, Tremella Fuciformis Extract, Gluconolactone, Sphingomonas Ferment Extract, Pentylene Glycol, Ethylhexylglycerin, Cellulose Gum, Sodium Benzoate, Citric Acid, Fructooligosaccharides, Calcium Gluconate, Cyamopsis Tetragonoloba Gum, Phytic Acid, Flavonoids, Glycoproteins, Sodium Hydroxide, Potassium Hydroxide PROF: Aqua, Glycerin, Propanediol, Phenoxyethanol, <i>Daucus Carota Sativa</i> Root Extract, Microcrystalline Cellulose, Tremella Fuciformis Extract, Gluconolactone, Sphingomonas Ferment Extract, Pentylene Glycol, Cellulose Gum, Ethylhexylglycerin, Sodium Benzoate, Citric Acid, Fructooligosaccharides, Calcium Gluconate, Cyamopsis Tetragonoloba Gum, Phytic Acid, Flavonoids, Glycoproteins, Sodium Hydroxide	Producttype: Serum

PREBIOTIC STEM CELL RECOVERY SERUM

FUNCTION	INGREDIENT BENEFITS
• Combats cellular aging • Firms and restores the skin • Prevents puffiness and sagging • Promotes graceful aging	Phyto-peptide from Asian pennywort: • Has a firming effect. • Improves facial contours. • Anti-wrinkle. • Combats cellular aging.
HOW TO USE During your evening routine, pump a small amount of product into your palm and spread it over your face, then finish with your day cream.	Olive oil: • Boosts cellular energy. • Reduces wrinkles. • Prevents puffiness. • Soothes skin after shaving.
INGREDIENTS HOME USE: Aqua, Glycerin, Centella Asiatica Callus Conditioned Media, Propanediol, Olea Europaea Leaf Extract, Phenoxyethanol, Microcrystalline Cellulose, Gluconolactone, Tremella Fuciformis Extract, Sphingomonas Ferment Extract, Ethylhexylglycerin, Sodium Benzoate, Cellulose Gum, Citric Acid, Calcium Gluconate, Cyamopsis Tetragonoloba Gum, Xanthan Gum, Tocopherol, Sodium Hydroxide. PROF: Aqua, Propanediol, Glycerin, Centella Asiatica Leaf Extract, Olea Europaea Leaf Extract, Phenoxyethanol, Microcrystalline Cellulose, Gluconolactone, Tremella Fuciformis Extract, Sphingomonas Ferment Extract, Cellulose Gum, Ethylhexylglycerin, Sodium Benzoate, Citric Acid, Calcium Gluconate, Cyamopsis Tetragonoloba Gum, Xanthan Gum, Tocopherol, Sodium Hydroxide	Producttype: Serum

PREBIOTIC PORE REFINER SERUM

FUNCTION	INGREDIENT BENEFITS
- Visibly refines pores - Stimulates the production of multiple types of collagen - Helps reduce wrinkles - Reduces hyperpigmentation	A blend of sodium mannose, mannose, lysine, lactic acid, proline, and copper sulfate: - Minimizes pores, improves skin texture, and stimulates the production of multiple types of collagen. Sodium Retinoyl Hyaluronate: - Reduces acne and redness. - Improves skin elasticity and texture and reduces pore size by 25%. Up to 36% reduction in wrinkles.
HOW TO USE	Producttype: Serum
During your evening routine, pump a small amount of product into your palm and spread it over your face, then finish with your day cream.	
INGREDIENTS	Producttype: Serum
Aqua, Propanediol, Glycerin, Phenoxyethanol, Microcrystalline Cellulose, Gluconolactone, Tremella Fuciformis Extract, Sphingomonas Ferment Extract, Ethylhexylglycerin, Sodium Benzoate, Cellulose Gum, Diglucosyl Gallic Acid, Lactic Acid, Lysine, Mannose, Sodium Mannose Phosphate, Calcium Gluconate, Sodium Retinoyl Hyaluronate, Copper Sulfate, Proline, Sodium Hydroxide	

PREBIOTIC MULTI-LAYER HYALURON CREAM

FUNCTION	INGREDIENT BENEFITS
• Reduces fine lines and wrinkles • High-volume filler effect • Nourishes, softens, and soothes the skin • Improves elasticity	Arizona smectic clay: • Has a refreshing effect and absorbs excess oil. Hyaluronic acid 1300–2300 kDa: • Provides immediate hydration to the stratum corneum and reduces fine lines. Hyaluronic acid 150–1300 kDa: • Actively improves the skin barrier. • Supports the natural skin microbiome. Hyaluronic acid & retinoid 10–150 kDa: • Reduces wrinkles. • Has a very beneficial effect on acne. • Boosts the production of collagen and fibro-nectin.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your face, then finish with your day cream.	
INGREDIENTS Aqua, Squalane, Butyrospermum Parkii Butter, Macadamia Integrifolia Seed Oil, Prunus Armeniaca Kernel Oil, Glyceryl Stearate, Glycerin, Cetearyl Alcohol, Borago Officinalis Seed Oil, Lysolecithin, Phenoxyethanol, Ceramide 2, Magnesium Aluminum Silicate, Tocopherol, Inulin Lauryl Carbamate, Xanthan Gum, Helianthus Annuus Seed Oil, Sodium Hyaluronate, Sodium Carboxymethyl Beta-Glucan, Ethylhexylglycerin, Schizophyllan, Sodium Anisate, Lactic Acid, Alcohol.	Producttype: Daycream

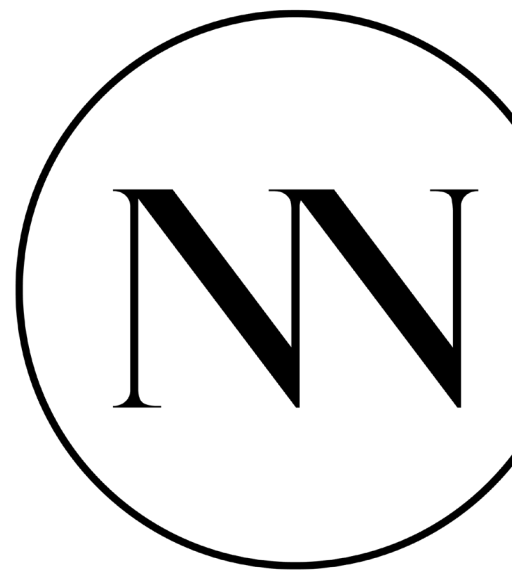

PREBIOTIC MOISTURIZING BODY LOTION

FUNCTION	INGREDIENT BENEFITS
• Intensely nourishing for the skin • Absorbs quickly and leaves no sticky residue • Restores the skin barrier • Suitable for all skin types, even the most sensitive	Shea butter: • Rich in vitamins E and A. • Moisturizing and anti-inflammatory. Cornstarch: • Rich in vitamins A, B, and C. • Reduces itching and redness. Olive butter: • Softens and soothes. • Prevents TEWL.
HOW TO USE	
Pump a small amount of product into the palm of your hand and spread it over your body.	
INGREDIENTS	
Aqua, Butyrospermum Parkii Butter, Ethylhexyl Stearate, Isodecane, C13-15 Alkane, Distarch Phosphate, Olea Europaea Fruit Oil, Glycerin, Cetearyl Alcohol, Pentaerythrityl Tetracaprylate/ Tetracaprate, Glyceryl Stearate, PEG-100 Stearate, Hydrogenated Olive Oil, Inulin Lauryl Carbamate, Phenoxyethanol, Maltose, Caprylyl Methicone, Parfum, Oryza Sativa Bran Wax, Magnesium Aluminum Silicate, Xanthan Gum, Ethylhexylglycerin, Agave Tequilana Leaf Extract, Citric Acid	Producttype: Cream

HOME USE
BODY CARE

HAND & FOOT FAST SKIN REPAIR

FUNCTION	INGREDIENT BENEFITS
- Repairs dry and rough skin - Cracks and fissures disappear within 14 days - Quickly achieve beautiful and healthy hands and feet	Cannabis sativa: - Repairs the skin. - Reduces flaking. - Reduces itching and irritation. - Improves moisture retention.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your hands and/or feet.	Pseudomonas ferment extract: - Repairs chapped and cracked skin. - Restores moisture balance by 90.5% in about two weeks.
INGREDIENTS Aqua, Glycerin, Distarch Phosphate, Glyceryl Stearate, Isodecyl Neopentanoate, Hydrolyzed Cannabis Sativa Seed Extract, Coconut Alkanes, Cetyl Alcohol, Behenyl Alcohol, Stearic Acid, Phenoxyethanol, Myristyl Lauryl Cetyl Alcohol Mixture, Parfum, Coco-Caprylate/Caprates, Palmitic Acid, Pseudoalteromonas Ferment Extract, Carbomer, Lecithin, Ethylhexylglycerin, Picea Abies Extract, Xanthan Gum, Caprylyl Glycol, Sodium Hydroxide, Sodium Benzoate, Alanine, Proline, Serine, Sodium Phosphate, CI 14720, Tocopherol	Producttype: Cream

CLEANSING HAND FOAM

FUNCTION	INGREDIENT BENEFITS
• Cleanses the skin thoroughly yet gently • Respects the skin’s natural barrier • Hydrates while cleansing • Prevents a tight or dry feeling after use • Helps the skin feel smoother and more even • Supports the skin’s natural protective barrier	Lauryl betaine: • A natural surfactant derived from sugar beets with powerful cleansing properties. • Leaves the skin feeling soft and clean. • Essential fatty acids from safflower oil: • Hydrates the skin. Phragmites Communis (an extract from the reed plant) and Poria Cocos (a mushroom the size of a coconut): • Softens and soothes irritated skin • Restores the skin barrier • Reduces itching and burning sensations • Strengthens skin and nails
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your hands.	
INGREDIENTS Aqua, Lauryl Betaine, Disodium Laureth Sulfosuccinate, Glycerin, Sodium Chloride, Sodium Cocoamphoacetate, Phenoxyethanol, Parfum, Propylene Glycol, Polysorbate 20, Laureth-4, Soy Acid, Cocamide Mipa, Citric Acid, Ethylhexylglycerin, Sodium Surfactin, Lactic Acid, Sodium Benzoate, Caprylic Acid, Capric Acid, Linoleic Acid, Sodium Citrate, Poria Cocos Extract, Phragmites Communis Extract, Oleic Acid, Palmitic Acid, Stearic Acid, Linolenic Acid, Tocopherol.	Producttype: Foam

ULTRA REPAIRING HAND SERUM

FUNCTION	INGREDIENT BENEFITS
- Intensely nourishes the skin on your hands - Restores the skin barrier - Does not leave a greasy feeling - Anti-aging for the skin on your hands	Extracts from Annona Cherimola: - Rebalances and repairs sensitive, irritated, and damaged skin. Cannabisserum: - Protects the skin barrier. - Regulates moisture levels. - Prevents dryness. D-Panthenol (Vitamin B5): - Soothes the skin. Lactococcus Ferment Lysate (a probiotic): - Stimulates cell growth.
HOW TO USE	
Pump a small amount of product into the palm of your hand and spread it over your hands.	
INGREDIENTS	
Aqua, Squalane, Shea Butter Ethyl Esters, Glycerin, Annona Cherimola Fruit Extract, Linoleic Acid, Undecane, Cannabis Sativa Seed Oil, Sucrose Stearate, Sucrose Palmitate, Tridecane, Avena Sativa Kernel Extract, Phenoxyethanol, Caprylic/Capric Triglyceride, Panthenol, Copernicia Cerifera Cera, Parfum, Coco-Caprylate/Caprates, Sclerotium Gum, Olea Europaea Oil Unsaponifiables, Phytosterols, Sodium Surfactin, Tocopherol, Pentylene Glycol, Decyl Glucoside, Xanthan Gum, Ethylhexylglycerin, Helianthus Annuus Seed Oil, Sodium Citrate, Linolenic Acid, Lactic Acid, Lactococcus Ferment, Sodium Benzoate, Phenylpropanol, Sodium Dehydroacetate, Sodium Chloride, Citric Acid, Sodium Hydroxide.	Producttype: Serum

SLIM & FIRM

FUNCTION	INGREDIENT BENEFITS
• Reduces the visible signs of cellulite • Reduces the circumference of the buttocks, thighs, abdomen, and arms • Improves skin firmness • Provides an immediate lifting effect	Quinoa seeds: • Literally puts fat cells “on a diet” and • prevents the formation of new fat cells. • The released fat is converted into energy. Caffeine combined with Silicon: • Lifting. • Draining. • Slimming. Turmeric: • Antioxidant. • Soothing. • Makes the skin smooth and supple. Ginger: • Antioxidant. • Keeps the skin supple and elastic. • Promotes blood circulation in the skin. • Has antiseptic and anti-inflammatory properties.
HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your body.	
INGREDIENTS Aqua, Methylsilanol Mannurate, C15-19 Alkane, Butylene Glycol, Sorbitan Laurate, Polyacrylate Crosspolymer-6, Curcuma Longa Root Oil, Lauroyl Proline, Avena Sativa Kernel Extract, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Phenoxyethanol, Benzyl Alcohol, Isohexadecane, Caffeine, Potassium Sorbate, Limonene, Ethylhexylglycerin, Siloxanetriol Alginate, Polysorbate 60, Eugenol, Cinnamal, Chenopodium Quinoa Seed Extract, Cinnamomum Zeylanicum Leaf Oil, Sorbitan Isostearate, Zingiber Officinale Root Oil, Sodium Benzoate, Linalool, Sorbic Acid, Citral, Tocopherol	Producttype: Cream

POWERSCULPT

FUNCTION	INGREDIENT BENEFITS
• Visibly firms the skin • Helps refine facial contours • Improves the appearance of areas prone to sagging, such as the chin and upper arms. • Reduces the appearance of under-eye puffiness for smoother, firmer skin. HOW TO USE Pump a small amount of product into the palm of your hand and spread it over your body, face, and décolletage. It also works well when applied by hand in combination with a Gua Sha tool to stimulate the connective tissue and lymphatic system. INGREDIENTS Aqua, Glycerin, Caprylic/Capric Triglyceride, Distarch Phosphate, Coconut Alkanes, Coco-Caprylate, Glyceryl Stearate, Stearic Acid, Behenyl Alcohol, Olea Europaea Leaf Extract, Phenoxyethanol, Myristyl Alcohol, Lauryl Alcohol, Cetyl Alcohol, Xanthan Gum, Palmitic Acid, Lecithin, Panthenol, Ethylhexylglycerin, Ethyl Lauroyl Arginate HCl, Tocopheryl Acetate, Citric Acid, Sodium Hydroxide, Cyamopsis Tetragonoloba Gum, Tocopherol, Flavonoids, Fumaric Acid	Olive leaf extract • Protects against sagging skin • Supports a firmer skin structure • Helps problem areas look smoother and tighter Flavonoids • Support microcirculation • Help reduce fluid retention • Refine the appearance of problem areas Panthenol • Improves elasticity • Supports firmer skin • Helps skin fit more snugly around problem areas Firming lipid complex • Improves skin tone • Makes skin smoother and plumper • Helps areas such as upper arms and jawline look tighter Producttype: Serum in cream

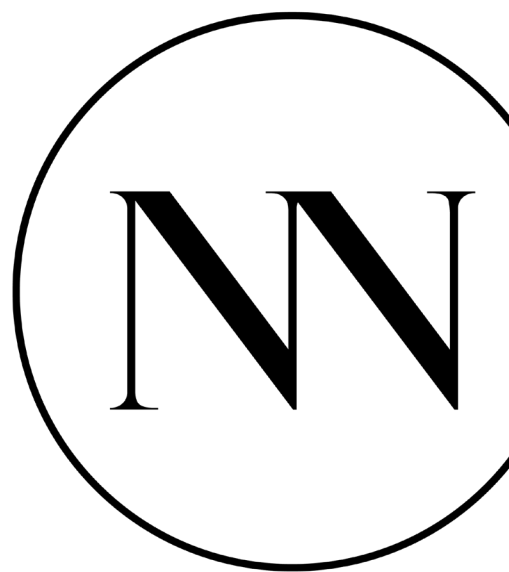

COVER & GLOW

INGREDIENTS	FUNCTION
Dimethicone, Isohexadecane, PEG-10, Hydrogenated Vegetable Oil, Distearidimonium Hectorite, C13-15 Alkane, Isododecane, Propylene Carbonate, Dimethiconol, Silica, Mica, Lauryl PEG-9 Polydimethylsiloxylethyl Dimethicone, Vinyl Dimethicone/methicone Silsesquioxane Crosspolymer, Polyhydroxystearic Acid, Caprylyl Methicone, Stearyl Dimethicone, Dimethicone/Vinyl Dimethicone Crosspolymer, Dipropylene Glycol, Ethylene/Propylene Copolymer, Sodium Citrate, Aqua, Tocopherol, CI 77891, CI 77492, CI 77491, CI 77266, CI 77499	• Evens out the skin and gives it a natural glow • Conceals fine veins, blemishes, scars, and imperfections • Is sweat-resistant and 100% waterproof, so it won't stain clothing • Has extremely long-lasting wear • Allows the skin to breathe and does not clog pores • Feels like a second skin • Is hypoallergenic (100% pure, non-reactive) • Is suitable for all skin types • You don't need much to get great results
HOW TO USE Apply in thin layers until you achieve the desired result. Then set the product and gently spray water over it.	Producttype: Bodyfoundation

HOME USE
HAIR CARE

HSR VITALITY BOOST SHAMPOO

FUNCTION	INGREDIENT BENEFITS
• Age-control shampoo • Restores and improves moisture retention • Revitalizes the hair and scalp • Makes hair easier to comb • Protects against pollution and repairs UV damage • Prevents damage caused by styling	Argan oil: • Nourishes the scalp and the underlying hair shaft. D-Panthenol: • Hydrates and protects against UV damage. Wool: • Protects against pollution and stress. • Acts as an antioxidant. Rice and soy micro-proteins: • Improves color, thickness, and fiber.
